## Profile

My dream would be winning a scholarship that would allow me to study PPE  
"Philosophy, Politics and Economics" in a prestigious university.

I believe that the widespread loss of ethics and the absence of right principles are the  
origins of the problems that now threaten our word.

That is why I would like to study politics, religions and philosophy.

## Education

### Liceo Classico J. Sannazaro, Naples (Italy)

*September 2016 – Present*

I am now going attending the fourth year of high school.

I have passed the third year achieving a grade point average of 9.4/10.

During the first year, I have developed a strong passion for Ancient Greek and Latin  
culture.

I have written an essay about the tragedy "Le Troiane" of the Greek author Euripide.

I have written a scientific article about the issue of the walls and migration titled "The  
Policy of Zerd".

I have written an essay titled "Fedeli d'Amore - Passione e Mistero" about Dante and the  
other poets belonging to the stilnovo movement.

### Licee General et Technologique – Galilee

Thanks to a scholarship I attended a trimester in a school in Paris, from September to  
December, and I achieved an average grade point of **18,36/20 and félicitations**  
compared to an average grade point of the class of 11,58/20
